

Safety mission statement

Individual safety comes before profitability.

(from the mission statement of Furrer + Frey AU-3.01.51)

For Furrer + Frey, safety means:

Main Idea

We undertake to provide safe and healthy working conditions.
We aim to be subject to no accidents or safety-related incidents.

Prevention and Targets

We identify health and safety risks at an early stage.
We eliminate hazards and minimise risks.

Leadership and behaviour

We behave in a safe manner.
We take our safety responsibility as line managers and colleagues seriously.
In the event of danger, we say STOP.

Communication and training

Our staff are well informed about health and safety.
We actively train, instruct and inform.

Requirements

We strictly adhere to any legal and other requirements with regards to occupational health and safety.

Continuous improvement

Together we continue to improve occupational safety and health and safety.
